Global Administrative Unit Layers (GAUL) 2024

TERMS OF USE

IMPORTANT – READ CAREFULLY THIS DOCUMENT BEFORE USING THE DIGITAL DATA. BY DOWNLOADING THIS DATA, YOU ACCEPT ALL THE TERMS AND CONDITIONS CONTAINED IN THESE TERMS OF USE.

The Global Administrative Unit Layers (GAUL) dataset is developed and owned by the Food and Agriculture Organization of the United Nations (FAO). It is located on the FAO Agro-Informatics Platform on the FAO website.

GAUL provides a comprehensive spatial dataset of sub-national administrative units for all countries in the world, consistent with the United Nations (UN) delineation of international boundaries. The GAUL dataset is for the benefit of UN system entities and other international and national institutions/agencies. FAO hereby grants you a license to access, download, create copies, adapt, use and re-disseminate the materials contained in the GAUL dataset in accordance with the terms outlined below.

1. By using the GAUL dataset, you acknowledge and accept to be bound by these Terms of Use and FAO's Terms and Conditions for use of its website (hereinafter "FAO's Terms and Conditions"). If you do not agree to these Terms of Use, you should not access, or otherwise use the GAUL dataset. In the event of a conflict or inconsistency between these Terms of Use and FAO's Terms and Conditions, the present Terms of Use shall prevail.

2. FAO reserves the right, at its sole discretion, to amend these Terms of Use and FAO's Terms and Conditions, from time to time and without notice. It is your responsibility to check these terms regularly for changes. If you continue using the GAUL dataset following any changes to these Terms of Use or FAO's Terms and Conditions, this means you acknowledge and accept such changes.

LICENCE AND COPYRIGHT

3. FAO encourages you to use the GAUL dataset for research, statistical, scientific and evidence-based decision-making purposes. You may access, download, create copies, adapt, use and re-disseminate the GAUL dataset subject to the Creative Commons Attribution-4.0 International licence (CC BY 4.0) available here and these Terms of Use. In other words, when you access, download, or otherwise extract any data or datasets from the GAUL package, you agree to comply with the terms and conditions of the CC BY 4.0 licence and all terms specified in these Terms of Use.

4. You may create derivative works based on the GAUL dataset in accordance with paragraph 3 above, on the understanding that this does not transfer ownership of the original dataset, which remains with FAO. Any derivate works you create must comply with the CC BY 4.0 licence. FAO will not claim ownership of any derivative works developed by a user. The use, licensing and ownership

of any third-party data included in the GAUL dataset is governed by the terms and conditions of the original data provider, in accordance with paragraph 6 below.

DEFINITIONS

5. "Dataset" in these Terms of Use means digital information, which shall include, but is not limited to any text, tables, spreadsheets, databases, GIS, and digital images contained in the digital files provided with the GAUL package, or downloaded, and which is used, viewed, edited, or modified.

THIRD PARTY EXCEPTIONS

6. The GAUL dataset may include data provided by third parties which may not be redistributed or reused without the consent of the original data provider, or that may be subject to terms and conditions which are different than those of FAO. In such cases, these conditions are included in the dataset metadata or webpage available here and here. FAO does not represent or warrant that it owns or controls all rights in all its datasets. It is your responsibility to determine if a particular dataset is fully or partially owned by third parties and/or whether additional restrictions may apply. It also is your responsibility to act in compliance with the terms and conditions of the third-party data providers. FAO will not be liable to you for any claims brought against you by third parties in connection with the use of any dataset, nor will FAO be involved in the resolution of any disputes between you and any third party arising therefrom.

ATTRIBUTION

7. The CC BY 4.0 licence specifies that you must give appropriate attribution and credit to FAO for any work produced using an FAO dataset or when FAO data is re-disseminated. The citation must follow the following format: "FAO. 2024. Global Administrative Unit Layers (GAUL). [Accessed on [DD Month YYYY]]. *https://data.apps.fao.org/?lang=en*. Licence: CC-BY-4.0".

DISCLAIMER AND LIABILITY

8. You may not in any way represent that FAO has participated, sponsored, approved, or endorsed the manner or purpose of your use or reproduction of the GAUL dataset.

9. The designations employed and the presentation of material in this information product do not imply the expression of any opinion whatsoever on the part of FAO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries.

10. All reasonable precautions have been taken by FAO to verify the accuracy of the GAUL dataset, but notwithstanding the foregoing, this dataset is provided to you without warranty of any kind, either expressed or implied. This includes, but is not limited to, warranties of accuracy, completeness or fitness for a particular purpose.

11. FAO reserves the right at any time and from time to time to modify or discontinue, temporarily or permanently, its dataset, or any means of accessing or utilizing the dataset with or without prior notice to you. FAO is not responsible or liable in any way to you for any loss or damage incurred in

connection to the use of GAUL or for the accuracy, usefulness, availability and accessibility of the dataset.

12. FAO also reserves the right at any time and from time to time to make updates or corrections to its dataset with or without prior notice to you. It is your responsibility to periodically check for changes or updates. FAO shall not be responsible or liable to you in any way for any loss or damage incurred in connection with the use of, or reliance upon, any previous or current version of its dataset.

DISPUTE RESOLUTION

13. Any dispute, controversy or claim arising out of or in relation to the CC-BY 4.0 or these Terms of Use that cannot be settled amicably shall be submitted to arbitration in accordance with the Arbitration Rules of the United Nations Commission on International Trade Law (UNCITRAL). The parties shall be bound by any arbitration award rendered in accordance with the above-mentioned rules as the final adjudication of any such dispute.

PRIVILEGES AND IMMUNITIES

14. Nothing contained in or related to these Terms of Use or the GAUL dataset shall be deemed a waiver, express or implied, of the privileges and immunities of FAO, as the acceptance by FAO of the applicability of the laws of any country to FAO, or as the acceptance by FAO of the jurisdiction of the courts of any country.
